Elective Classes

You need to make 3 different elective choices for Semester 1 and Semester 2. **You cannot take Drama, PE, Guitar or SciTech both semesters.** Place 1, 2, & 3 next to your top choices. **World Language and Band are full year classes** so you will need to check those classes for both semesters. For students that want to be student aides, you will need to fill out an application once school starts, so until then you need to pick from the list.

Core Classes

Put an “X” next to either Honors or a General Core Class. Honors classes are for students identified as academically talented as well as for students who display high achievement, work ethic and/or interest in specific areas. These in-depth classes provide a more challenging program with a focus on critical thinking. Students may request honors classes each year through the regular registration process. Students may be required to complete an Honors contract, which includes state assessment scores and teacher recommendations for consideration of appropriate placement.

Schedule changes will only be made if a student is missing a class or is placed in a class that is not grade level appropriate.
