1 – Find a place to write your name and block # that is CLEARLY visible (if you need to add a white square of paper please do)

2 – Add pictures of your favorite things, family, friends, etc. You may draw them, use photographs, stickers, or cut-outs from magazines/papers.

3- Once decoration is complete, cover with clear packing tape or using contact paper. *(Don't forget to cover both sides with tape or contact paper)*
