

Dear CCUSD families,

As we continue to provide Friday updates to our community, please read the following reminders:

When students are sick

If your child is experiencing any symptoms of illness, keep them home. It is best practice to keep your children home when they are feeling any symptoms of an illness. Do not send your child to school if you are awaiting the results of a COVID-19 test.

Face Coverings

Face coverings are strongly encouraged for all students, staff and individuals, regardless of vaccination status while indoors and on school property to help prevent the spread at our schools. We urge families to consider this. Remember, that the distance for being identified as a close contact shrinks from 6 feet to 3 feet when students are wearing face coverings. This could reduce the number of students quarantined by the MCDPH and keep more students in school.

Host Families Needed

There are international scholars wanting to come to CSHS in January for the second semester who are in need of host families. You do not need to have students at CSHS to take advantage of this unique opportunity to share our community and culture while learning about theirs. Students are fully insured, and have their own spending money. If you are interested, please contact Educatius' local coordinator, Tami Simmons at tami.educatius@gmail.com.

Social Media/Tik Tok Challenges

These challenges ask students to do the various malicious activities and video record it and post it to Tik Tok. Students and families should be aware that we have zero tolerance for this type of behavior. Students involved will be disciplined, assessed damages and fees for replacement of items, and we will prosecute through the appropriate law enforcement agency. If you hear or see anything, please notify your school immediately.

Anonymous Tip Line

In CCUSD, we are all responsible for keeping our schools safe and orderly. Report alcohol/drug abuse, safety risks, theft, weapons, vandalism or other concerns anonymously at anonymoustips.com.

It takes all of us working together to keep our students and campuses focused on our primary goal - educating students.

Other Reminders:

- Please "like" your school's Facebook page and follow them on Twitter for up to date information.
- Enjoy your long weekend: students are off both Monday and Tuesday, October 18 and 19.
