

Dear CCUSD families,

Finance Facts Learning Series

Arizona School Finance can be complicated with many formulas and strings attached to how School District funds can be spent. Cave Creek Unified School District will be conducting monthly learning sessions on various financial topics for residents who live within the CCUSD boundaries. The first session is December 15. Follow this link for more information including how to sign up to attend in person or via ZOOM: [CCUSD Financial Facts Learning Series](#)

Transportation Update

In Cave Creek Unified School District, the safety and security of our students is of the utmost importance. In an effort to provide safety to our bus riders, we are requiring all students who ride the bus to be signed up for transportation through the parent portal. This can be done by clicking the following link [transportation sign up](#). Starting on January 18, 2022, if your student is not signed up for transportation through the parent portal, for safety reasons we will not be able to transport your student. If you need assistance signing up for transportation in the parent portal contact Chris Aden at caden@ccusd93.net. If you have any questions contact Pam Nelson pnelson@ccusd93.net in transportation.

Thank you for your support in keeping our students safe.

When students are sick

If your child is experiencing any symptoms of illness, keep them home. It is best practice to keep your children home when they are feeling any symptoms of an illness. Do not send your child to school if you are awaiting the results of a COVID-19 test.

Social Media/Tik Tok Challenges

These challenges ask students to do the various malicious activities and video record it and post it to Tik Tok. Students and families should be aware that we have zero tolerance for this type of behavior. Students involved will be disciplined, assessed damages and fees for replacement of items, and we will prosecute through the appropriate law enforcement agency. If you hear or see anything, please notify your school immediately.

Anonymous Tip Line

In CCUSD, we are all responsible for keeping our schools safe and orderly. Report alcohol/drug abuse, safety risks, theft, weapons, vandalism or other concerns anonymously at anonymoustips.com. It takes all of us working together to keep our students and campuses focused on our primary goal - educating students.

Other Reminders:

- Good luck to our secondary students taking their first semester finals next week.
- Please “like” your school’s Facebook page and follow them on Twitter for up to date information. We would love you to comment and share or retweet any posts.
