

Superintendent's Outdial – June 4, 2020
Superintendent's Email – June 5, 2020

Dear CCUSD Families,

This is Superintendent Debbi Burdick with some updates for you. First of all, we hope that if you have any children ready for kindergarten, you refer to our CCUSD web page under "enroll" for the online registration applications. You can drop completed packets at our elementary schools Monday through Thursday from 8 am to 4 pm until June 11th and after that, at the District Office on 60th St.. also Monday through Thursday. Please also share this information with any friends or neighbors who have potential kindergartners.

CCUSD has three committees that are diligently working to plan for the upcoming school year. The Reopening School Team of staff and parents is focusing on academic options and currently developing surveys to gather input from families and staff about preferences. The Logistics Committee for Reopening School is working on operational pieces that would need to be in place for August, including guidelines for transportation, lunchrooms, PPE and health and wellness. A third committee is the Social Emotional Well-being Committee that will look for resources and practices to make sure that our students and our staff are doing well. Again, we appreciate your patience as we work through many guidance documents and fluid recommendations that seem to have changes daily. Our goal is to have options available for all families for the first day of school, August 5th.

Finally, I know that with the unrest going on throughout our country, we are hearing that many children are frightened and confused as they watch protests and rioting on TV. Please take the time to talk with your children about what they are seeing. Through kindness, empathy and respect for each other, we can make our community stronger, our world a better place and provide hope for a better tomorrow. In CCUSD, we will continue to work together to ensure all of our students have the support they need to be successful.

Thank you and have a good weekend.
