Pre-Registration Directions for School Year 2017-2018

The course selections made by students at this time determine Cactus Shadows' teacher needs for next year. Once classes are scheduled and teachers are hired, it is very difficult and sometimes impossible to make changes in courses. **You will not be able to change your requests after February 24, 2017.** Therefore, **it is extremely important that students confer with their parents/guardians, teachers, and counselors at this time before finalizing course requests.**

- STEP 1** Review your career goals, college requirements, and progress this year with your teachers, parents, and counselor.
- STEP 2** Utilize the **COURSE CATALOG** on our website. (www.ccusd93.org)
- STEP 3** **Complete this pre-registration worksheet**
- Choose academically rigorous courses.
 - Consider readiness for Honors/AP courses and assessment scores.
 - Choose electives based on your interests and future goals.
- STEP 4** Choose **ALTERNATES** for electives.
- List alternates in case a requested elective is not offered or cannot be arranged into your schedule.
- STEP 5** Bring this **completed, signed** form to school. A CSHS counselor will help you register on February 16 or 17.
