Pre-Registration Directions for School Year 2017-2018

The course selections made by students at this time determine Cactus Shadows' teacher needs for next year. Once classes are scheduled and teachers are hired, it is very difficult and sometimes impossible to make changes in courses. **Students/parents will not be able to change course requests after February 24, 2017.** Therefore, **it is extremely important that students confer with their parents/guardians, teachers, and counselors at this time before finalizing course requests.**

- STEP 1** Review changes in your career goals, college requirements, and progress this year with your teachers, parents, and counselor. Transcripts are available via online portal.
- STEP 2** Utilize the COURSE CATALOG on our website. (www.ccusd93.org)
- STEP 3** Complete this pre-registration worksheet
- Choose academically rigorous courses.
 - Consider the readiness for Honors/AP courses, view proper teacher recommendations, and assessment scores.
 - Choose electives based on your interests and future goals.
- STEP 4** Choose **ALTERNATES** for electives.
- Select alternates in case a requested elective is not offered or cannot be arranged into your schedule.
- STEP 5** Turn in this **completed, signed** worksheet to your math teacher before February 3, 2017.
