Parent-Teacher Conferences are coming next week! Please send in your preferred conference time so appointments can be set-up. Thank you to those that have sent these forms back to me.

This week, we are working on:

ELA: Vowel teams, making inferences when reading

Science: Insects-Hatching chickens

Math: Mon. Use place value to compare numbers Tues. add and subtract 10 and 100, Wed.- Fri Fluently add and subtract within 20. This is a standard we will work on until mastery is achieved. Students can't practice this enough!

Don't forget 20 minutes of Dreambox!
